

What Really Happens When You Die?

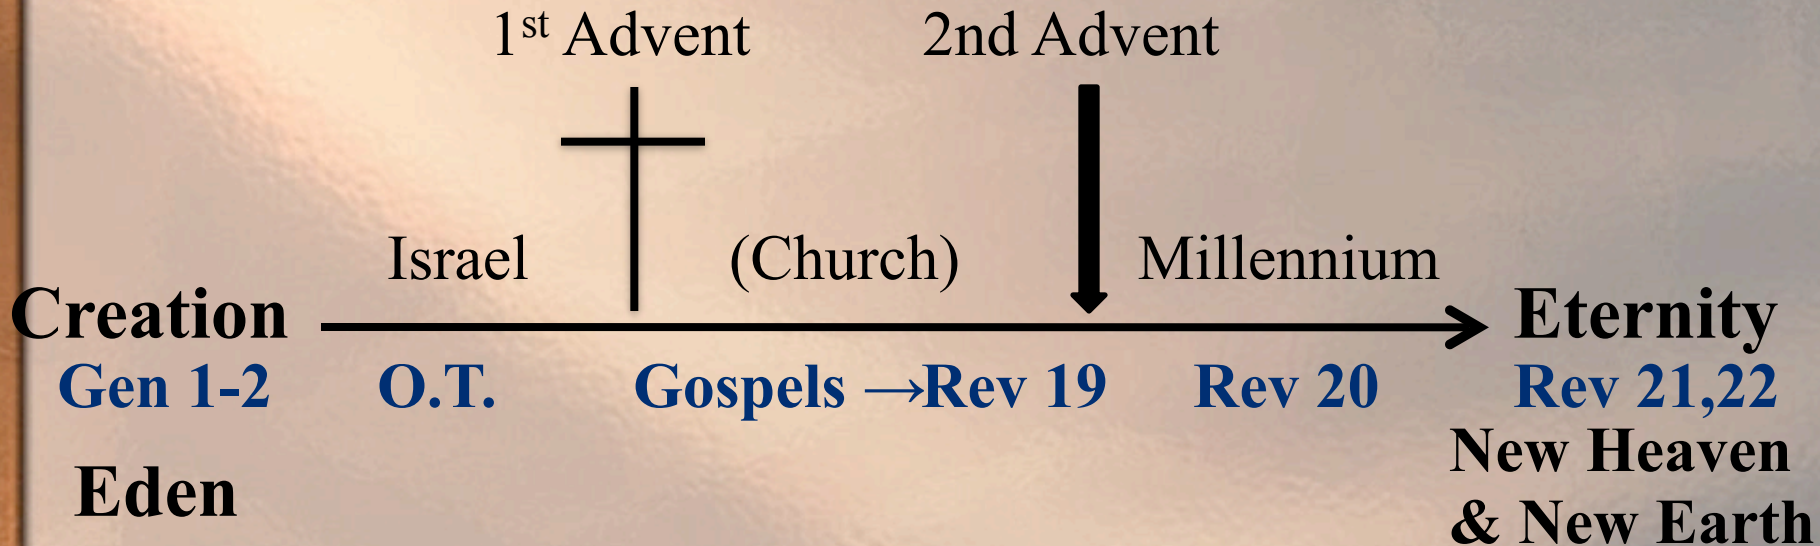

- **Dead... But Alive**
- **From Here to Eternity**
- **Up From the Grave**
- **The Body You Always Wanted**
- **Forever and Ever (Hallelujah!)**
- **Judgment Day**

Forever and Ever (Hallelujah!)

Is Heaven on your radar screen?

The *New Heaven and the New Earth!*

From Creation to the Eternal State...

Our Eternal Home – The New Earth!

When we die we go to be with Christ (better by far!).

But the absolute best is still yet to come: the New Heaven and New Earth – our true and eternal Home!

Forever and Ever (Hallelujah!)

Is Heaven on your radar screen?

The *New* Heaven and the *New* Earth!

From Creation to the Eternal State...

Our Eternal Home – The New Earth

A “New” Earth, not a “Non” Earth!

- A real, tangible, physical place with striking similarities to the Earth we now know...
- Redeemed, renewed, resurrected, freed from sin and freed from sin’s consequences.
- Earth version 3.0 – the ultimate, final upgrade!

Forever and Ever (Hallelujah!)

Is Heaven on your radar screen?

The *New Heaven* and the *New Earth*!

What the *New Earth* lacks...

- No temple – but instead God's very presence
- No light source – He is the light.
- No protection system – perfect security/peace.
- No wants or needs – nothing lacking: satiated!
- No curse – all will be as it should be!

Forever and Ever (Hallelujah!)

Is Heaven on your radar screen?

The *New Heaven* and the *New Earth*!

What the *New Earth* lacks...

What we will experience...

- Worship without distraction
- Service without burden
- Authority, rule without failure or abuse
- Relationships without suspicion or threat
- Learning without limitation
- Rest without boredom

Forever and Ever (Hallelujah!)

Is Heaven on your radar screen?

The *New* Heaven and the *New* Earth!

What the New Earth lacks...

What we will experience...

Homesick for... Heaven

If I find in myself a desire which no experience in this world can satisfy, the most probable explanation is that I was made for another world.

C.S. Lewis

The New Heaven and the New Earth is the Home you have been looking for all your life!
